

RHC Pilot Quarterly Report
Palmetto State Providers Network
July 31, 2008

1. Project Contact and Coordination Information:

Project Coordinator:

Frank C. Clark, Ph.D.

Title: Vice President and CIO

Affiliation: Medical University of South Carolina

Mailing Address:

Office of the President

79 Ashley Avenue

P.O. Box 250001

Medical University of South Carolina

Charleston, SC 29425

E-Mail: clarkfc@musc.edu

Phone: 843-792-2211

Associate Project Coordinator:

W. Roger Poston, II, Ed.D.

Title: Director for Academic and Research Systems

Affiliation: Medical University of South Carolina

Mailing Address:

Office of the CIO

19 Hagood Avenue

P.O. Box 250801

Charleston, SC 25425

E-Mail Address: postonwr@musc.edu

Phone: 843-792-0134

Organization legally and financially responsible for the conduct of activities supported by the award:

Health Sciences South Carolina (HSSC) – A non-profit 501 c3 organization formed as a collaborative organization of the Medical University of South Carolina, the University of South Carolina, Clemson University, Palmetto Healthcare, Spartanburg Regional Healthcare Systems, and Greenville Hospital Systems. The HSSC office, president and staff are located at 1320 Main Street, Suite 625, Columbia, SC 29201. HSSC is organized with committees drawing from the administration of the three research universities and three major healthcare providers in South Carolina.

Statewide Project Coordination:

The Palmetto State Providers Network (PSPN) project is administratively coordinated by the Associate Project Coordinator in cooperation with the South

Carolina Department of Mental Health and the South Carolina Hospital Association. The PSPN Associate Coordinator reviews rural and urban hospitals and Community Mental Health Center clinics to determine eligibility and/or participation, directly solicits and receives information, Letters of Authentication and required questionnaires, and collates and organizes the data from these sites for the Request For Proposal. The Project Coordinator and Associate Project Coordinator work closely to insure that the appropriate forms and attachments, letters of certification and other required data are completed, verified and submitted. The Associate Project Coordinator also works with the South Carolina Light Rail to insure cooperation when the PSPN contract is awarded and with the four tertiary hospitals centers to insure their compliance with all data gathering to enable connectivity to the PSPN in the early phases of the project.

2. Identify all health care facilities included in the network:
The Request For Proposals is in draft form and ready for USAC/FCC review.

Palmetto State Providers Network Participants by County

1. Abbeville County		Definition: Rural / Very Rural
Facility:	Abbeville Area Med. Ctr.	
Location:	420 Thompson Circle	Address: P.O. Box 887
City:	Abbeville	Zip Code: 29620
Phone:	864-366-5011	FAX: 864.366.6011
Admin:	Richard Osmus	E-Mail: rosmus@acmhospital.com
RUCA Codes	7 / 7.4	Census Tract Code: 950400
Public / Non-Profit		Eligible
Owner:	Abbeville Co. Mem. Hosp	
Abbeville Area Medical Center – Dedicated Emergency Department		
Facility:	Abbeville Clinic	
Location:	101 Commercial Drive	
City:	Abbeville	Zip Code: 29620

Owner:	SC Department of Mental Health	

44. Union County **Designation: Rural**

Facility:	Union Mental Health Clinic	
Location:	130 Medical Sciences Dr.	Address: P.O. Box 129
City:	Union	Zip Code: 29379-0129
Phone:	864 – 427 – 1224	FAX: 864-429-0627
RUCA Codes:	4 / 4.2	Census Tract Code: 30400
Public / Non-Profit		Eligible
Admin:	Gary Moneypenny	E-Mail: gwm62@scdmh.org
Owner:	SC Department of Mental Health	

45. Williamsburg County **Designation: Rural / Very Rural**

Facility:	Williamsburg County Clinic	
Location:	310 East main St.	
City:	Kingstree	Zip Code: 29556
Phone:	843 – 354 – 5453	FAX: 843-354-3322
RUCA Codes:	7 / 7	Census Tract Code: 970600
Public / Non-Profit		Not Eligible (Paying Own Way)
Admin:	Maritta Janice Smith	E-Mail: mjs69@scdmh.org
Owner:	SC Department of Mental Health	

46. York County **Designation: Urban**

Facility:	Catawba Mental Health Center	
Location:	223 E. Main Street, Suite 300	Address:
City:	Rock Hill	Zip Code: 29730
Phone:	8803 – 328 – 9600	FAX: 803-329-7141
RUCA Codes:	1 / 1	Census Tract Code: 61002
Public / Non-Profit		Not Eligible (Paying Own Way)
Admin:	Paul J. Cornely, Ph.D.	E-Mail: pjc97@scdmh.org
Owner:	SC Department of Mental Health	

Facility:	Catawba Family Center	
Location:	250 Piedmont Blvd.	
City:	Rock Hill	Zip Code: 29732
Phone:	803 – 329 – 3177	FAX: 803-329-3319
RUCA Codes:	1 / 1	Census Tract Codes: 61002
Public / Non-Profit		Eligible
Admin:	Rae Ann Alepa	E-Mail: raa21@scdmh.org
Owner:	SC Department of Mental Health	

Facility:	York Adult Services Clinic	
Location:	166 Dotson St.	
City:	Rock Hill	Zip Code: 29732
Phone:	803 – 327 – 2012	FAX: 803-327-4198
RUCA Codes:	1 / 1	Census Tract Code: 61002
Public / Non-Profit		Not Eligible (Paying Own Way)
Admin:	Paul J. Cornely, Ph.D.	E-Mail: pjc97@scdmh.org
Owner:	SC Department of Mental Health	

3. Network Narrative:

The Request for Proposals has been drafted for review and has not been posted. Health Sciences South Carolina (HSSC) and the Palmetto State Providers Network (PSPN) are seeking a qualified Primary Partner (PP) or Primary Partner Consortium (PPC) to enter into a broad-based, mutually beneficial partnership in accordance with this section of the RFP. HSSC and PSPN is seeking a vendor that will build, implement, manage, and maintain a robust state-wide broadband network that links rural caregivers in all 48 counties to the state's academic and large tertiary medical centers using a 10 gigabits (GB) lambda as the backbone network.

Phase I of the project calls for providing a 10 GB lambda backbone network connecting the hub sites listed under hub sites (Section 3.2). Linear and protected configurations should be proposed. In addition, access to Internet2 and/or National Lambda Rail is required to at least one of the hub sites. Access should include bandwidth options of 1Gb and 10Gb. Usage and connector fees for Internet2 and National Lambda Rail are not included in this RFP.

Phase II of the project calls for the linking of three large tertiary hospital systems; Palmetto Health, Greenville Hospital System, and Spartanburg Regional Medical Center to the Medical University of SC (MUSC) in Charleston via the backbone described in Phase I. Links to the backbone network from each of these facilities should be ten gigabits (GB) or 1 gigabits (GB) circuits with a one gigabit optional redundant path. We request that both 1GB and 10 GB circuits be bid. Both the primary and secondary circuits shall be bid separately. The tertiary hospital circuits will link back to hubs in or around Clemson, Columbia and Charleston specified under Hub Site section.

Phase III of the project calls for the linking of rural and perhaps urban clinics and hospitals across all South Carolina counties (see Appendix A for details) back to the hub sites.. Ideally, links to these rural and perhaps urban hospitals and clinics will be either 4, 5, 10 or 100 MB circuits. Bids should include

pricing and availability of these circuit bandwidths for each location..

Key Circuit Attributes:

- Ethernet circuits should be non-blocking, clear channel transport "pipes".
- Network design is fully deterministic to ensure 100% bandwidth availability and full channel throughput.
- Circuits will provide full Committed Information Rate at all times. Excess Information Rate is not applicable.
- Maximum Frame Size: Any standard IEEE 802.1Q frame size can be transported
- Ethernet transport and access bandwidth must not be oversubscribed.
- All circuits should be designed to maximize network security

The network core equipment (routers, switches, etc.) should be located within the one or all of the 3 hub sites.

Hub Sites:

1. Charleston: #1 Charlotte Street, Charleston, SC
2. Clemson: 8120 Highway 76, Clemson, SC
3. Columbia: 1401 Main Street, 2nd Floor, Columbia, SC

Phase IV of the project will entail creating a network cloud around each of the rural and perhaps urban hospitals so as to provide broadband connectivity for clinics to the respective hospitals. The objective is to provide affordable broadband connectivity for as many community clinics to the respective rural hospitals and to PSPN, as possible. Connecting equipment on the remote sites as well as the hospital site should be included in the bid.

4. List of Connected Health Care Providers: Not applicable at this time
5. Identify the following non-recurring and recurring costs: Not applicable at this time.
6. Describe how costs have been apportioned and the sources of the funds to pay them:
 - a. Eligible sites will participate in the initial phases of the network with the 85% / 15% funding mechanism. These sites will have their connection to the PSPN covered under the costs of the grant.
 - b. Non-eligible sites understand that connectivity to the PSPN will be on the "pay your own way" model and responsible for these costs when they are identified through the RFP process.
 - c. Sources of the matching funds will be from state allocated funds to the Medical University of South Carolina and funds from the three tertiary

care hospitals, Palmetto Health, Spartanburg Regional Healthcare, and Greenville Hospital System. These funds will collectively provide the 15% matching funds required by the grant.

7. Identify any technical or non-technical requirements or procedures necessary for ineligible entities to connect to the participant' network: Not applicable at this time
8. Provide and update on the project management plan: A Project Management plan will be devised after the RFP has been awarded and a timetable for implementation of the network can be established. There will be a need to identify the technical staff and managers who will be responsible for working with the vendor in the build-out and deployment of the network.
9. Provide detail on whether network is or will become self sustaining: Plans are for the network to become self-sustaining. Until the contract has been awarded and the actual costs known, the plan will not be fully developed and implemented.
10. Provide detail on how the supported network has advanced telemedicine benefits: Not applicable at this time.
11. provide detail on how the supported network has complied with HHS health IT initiatives: Not applicable at this time.
12. Explain how the selected participants coordinated in the use of their health care networks: Not applicable at this time.
